who are homeless or are

homelessness**

Whether you need a safe place to sleep tonight or just a few groceries to get you and your children through the next couple of days, there is help for you.

The Plymouth Taskforce to End Homelessness has created this "Street Sheet" to identify some important resources available to you – where to get a meal, how to find shelter and where to call for help that you need right now in Plymouth.

This information is updated annually and some providers or programs may have changed since the last revision. Check each agency to verify their current service capabilities.
