

Plymouth Taskforce to end Homelessness
President's Report
2018

Overnights of Hospitality Program

We ended our fourteenth season of providing emergency sheltering in March, 2018. Over the 2017-18 season, we provided a total of 1,491 beds for 76 different individuals, averaging 11.2 guests per night. Our highest total was 19 just for two nights and our season low was 4. There were over 200 volunteers from 25 different congregations and from the community at large who served as hosts and meal providers.

The Taskforce also provided hotel stays for 16 women for a total of 22 nights.

In the fall, we began our fourth season in collaboration with Fr. Bill's/Mainspring which provides us with one paid chaperone which we supplement with one volunteer chaperone.

Meal Train Plus continues to be a valuable tool for signing up individuals to chaperone and prepare and serve meals. We were fortunate to gain five new volunteers to serve as chaperones.

For the past four years, the Taskforce has also been providing rental assistance to folks in danger of losing their housing. For 2018, 30 such individuals received help. We also provide gas cards and funds for securing ID's and prescriptions.

The weekly shower program continued when supervisors were available.

Next Step House

The Next Step was fully occupied with eight permanent residents and two house managers.

Next Step II

There are three formerly homeless women in residence. There is one soon-to-filled space available. We are currently in the process of hiring a new house manager for the women's house.

Government Housing Support

To date, with federal and state funding, including Section Eights, through Fr. Bill's/Mainspring and Taskforce support of the Next Step House, over 60 individuals have entered permanent housing.

Housing Solutions

The Taskforce is very fortunate to have been the recipient of Community Preservations funds which allowed us to buy Next Step I and II.

The Taskforce is continuing its search to buy a piece of land of about 2-3 acres, centrally located, on which to erect a building which would contain 12-15 studios, some commercial space for offices and a backdoor emergency shelter. A subcommittee, chaired by Rick Edwards and Barbara Wojtklewicz, leads this search.

Point in Time Homeless Count

During the annual homeless count on January, 2019 we were able to identify 22 individuals – 15 were in the shelter, 7 were known to be on the streets, staying in tents in the hospital or staying elsewhere for that night. The Point in Time count only captures what we know to be true for that one night only. It does not accurately reflect to total number.

Grants/Fundraising

Our twelfth annual golf tournament raised over \$19,000.

Frank Mand, board member and former Old Colony reporter, had planned a walk starting from California back to Plymouth, beginning in 2019. He started his journey in November, but after three months, he had to cut it short due to health reasons. The funds he raised were donated to the Taskforce. Thank you, Frank!

Goals for 2019

- Continue to explore more property for purchase.
- Seek and apply for additional grants
- Seek new fundraising avenues
- Increase membership and/or to do a general fundraising campaign
- Work with Father Bill's/Mainspring to develop a Resource Center

In closing, I would like to personally thank all of our board members who, in addition to attending monthly board meetings, also assisted in other ways:

- Kathy Dayan for taking our minutes
- Alan Schwartz for overseeing our finances
- Ted Gwilliam and Alan Schwartz for chaperoning above and beyond
- Jack Ryan for serving as Property Manager of the Next Step Houses
- Barbara Wojtkiewicz, for co-chairing the Golf Tournament

Thanks once again to John Malloy for co-chairing the Golf Tournament. Also, I would like to thank all of the 2017-18 site coordinators – Ray Tompkins, Irene Caldwell, Mary Bell, and Lawrence Silverman.

A huge thank you to Ray Tompkins and the rest of the members of First Baptist for offering their church as a host site and serving as site coordinators for the 2017-18 season. Also, thanks to Nancy Carini and her crew of Second Church for have been responsible doing the laundry at the end of every week. Second Church continues to fund the laundering sheets, but responsibility for organizing, has been assumed by Alan Schwartz.

Finally, the success of the Overnight program was due to the many, many other people who volunteered their time to host, to prepare a meal, to provide transportation, or who assisted in any other way

Respectfully submitted,

Constance Melahoures
